Jaime **Corzo Galdó**

Mathematics and Computer Science Student

Short Resumé

2019–2021 | **Bachillerato, Ciencias y Tecnología**
Granada · Colegio Escolapios Genil-Dulce Nombre de María
I was graduated in bachillerato and obtained a 10 out of 10.

2021–present | **Double Degree in Mathematics and Computer Science**
Granada · Universidad de Granada
I am currently in my last year out of five. I entered after passing my university entrance exams with 13.6 out of 14. The expected graduation date is 06/2026

2023–2024 | **Erasmus**
Salerno · Università degli Studi di Salerno
One year of Erasmus in Salerno, Italy, where, I learned a new language, embraced a different culture, and became more independent and mature.

Programming and abilities

I have worked with various technologies, including Java, C, C++, SQL, Ruby, Bash, GitHub, Python, Google Cloud, assembly language and LaTeX.
My academic projects involve developing complex algorithms and collaborating in teams to create software solutions that enhance efficiency and solve real-world problems.
My proactive approach and passion for continuous learning allow me to stay engaged and ready to contribute to dynamic environments.

Certificates

July 2024 | **Advertising and PR**
Prague · European Summer School
I have attended a 5 ECTS course about Advertising and PR and successfully obtained a grade of A.

July 2025 | **Strategic Management of Risk**
Aarhus · University
I have attended a 5 ECTS course about Strategic Management of Risk and obtained a grade of C.
